DIARY NOTES

25X1A

DD/S

7 February 1962

1. I spent most of the day preparing for the Senate Budget Hearings on Thursday, 8 February.

2. [REDACTED] was in to say that [REDACTED] had requested that [REDACTED] be assigned as Chief of Support for WH [REDACTED]. I told Vernon that I had no objection to this but that Bill would have to understand that Jack would not be home until summer; furthermore, I was not going to commit Jack for this long haul without first making sure how he felt about it.
